National Secondary School Programming Contest (NSSPC) 2024 Regulations

1. **Organizer:** Alumni Association of National Taiwan University Malaysia (**AANTUM**), National Taiwan University (**NTU**)
2. **Co-organiser:** Universiti Tunku Abdul Rahman (**UTAR**)
3. **Contest Name:** National Secondary School Programming Contest 2024 (**NSSPC 2024**)
4. **Vision:** To organize high quality program competitions in order to develop the potential of students, to nurture scientific and technological talents for the country, and to achieve the vision of moving towards a scientific and technological nation.
5. **Objectives:**
 - 5.1. Foster secondary school students' ability in logical thinking and problem-solving at a critical stage of their learning.
 - 5.2. Providing a communication platform for students from different schools to learn from each other and grow together.
 - 5.3. Facilitate software/hardware exchange and improvement between urban and rural middle schools.
 - 5.4. Promote ethnic unity and integration.
6. **Eligibility:**

All students enrolled in national secondary schools are eligible to participate freely or can register for participation through their schools.
7. **Quota:**

There is no limit on the number of registrations for the competition. However, during the finals, each school can send a maximum of 3 teams (if all 3 team members are from the same school, they will be considered as a single school team), and there is no limit on cross-school teams.
8. Acceptable languages for competition programs: **C, C++, JAVA.**
9. **Workshops:**

Workshops will be conducted both in-person and through online broadcasts.

The workshop are primarily aims to provide a learning platform for beginners in programming languages. Through clear programming language instruction, it encourages students to actively engage in learning programming on their own.

4-2, Jalan Bandar Lima Belas, Pusat Bandar Puchong, 47100 Puchong, Selangor, Malaysia. Email: aantum@gmail.com

10. **Workshop Content:** Please refer to official website of organizer <https://nsspc.io>.
11. **Method and date of registration:** Registration starts from March 11 with online format
12. **Qualifying Exam and Format:**
 - 12.1. All participating students must take the qualifying exam
 - 12.2. Only students who pass the qualifying exam will be eligible to form teams and participate in the preliminaries and finals.
13. **Qualifying Exam Format and Passing Procedures:**
Please refer to Appendix I - Qualifying Exam Passing Procedures.
14. **Preliminary Round:** Online format (teams of 3).
15. **Preliminary Round Venue:** Online format.
16. **Preliminary Round Question Language:** English
17. **Final Round:** In-person format (teams of 3)
18. **Final Round Date:** 16 September 2024
19. **Final Round Venue:** Chung Hua High School Seremban (CHHS) - Jln Tun Dr. Ismail, Taman Unian, 70200 Seremban, Negeri Sembilan, Malaysia.
20. **Final Round Qualifications:**
The top 30 teams from the preliminary round will advance to the final round, with a maximum of 3 teams from the same school (to encourage learning and participation opportunities for junior teams, up to 2 additional teams from junior teams of the same school are allowed).
21. **Final Round Question Language:** English
22. **Contact Phone Numbers Of Registration:**
Mr Yeoh 016-2144160, Mr Chew 012-6181999
23. **Email:** nsspc.io@gmail.com, aantum@gmail.com
24. **Official Website:** <https://nsspc.io>
25. **Transportation:**
Transportation to the competition venue is the responsibility of the participating students or schools.
